

Kahua Platform Updates - DocuSign

April 12, 2025

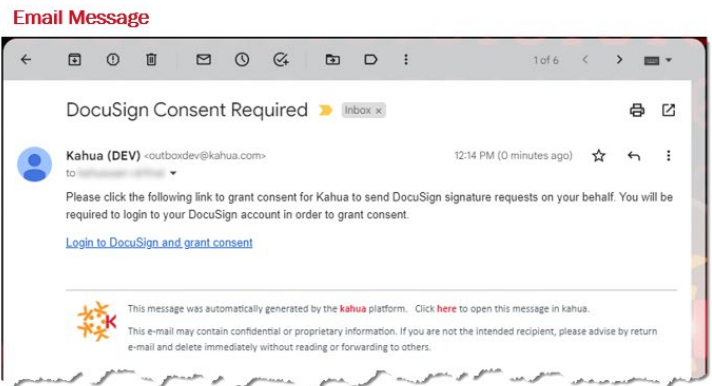

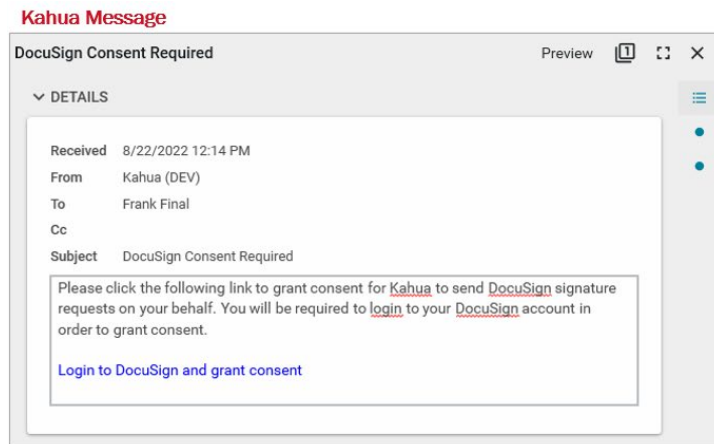

DocuSign Re-Consent Email

As part of this update, when you first initiate the DocuSign integration, you will be required to re-consent for Kahua to send DocuSign signature requests on your behalf. You will receive a Kahua message with a link to log in to DocuSign and grant consent. This is a one-time process.

Pop-Up Message to User

Message

Note: If the login prompt does not appear when you click the link, you can open a browser window in incognito/private mode to force the login prompt.
