After registering, you will receive a confirmation email containing information about joining the training. The class will run from 9:30 to 11:30 AM.

Webinar Preparation / Information:

• The Webinar is taken remotely on your own computer with an internet connection and not at the SCA.
• You will need a computer with speakers or headphones – or a phone to dial in (NOTE: The number and code will be provided the day of training & long distance charges may apply)
• Finally, try to use the desktop option (you need to run a small .exe app) instead of the ‘web’ version.
