**Webinar Preparation / Information:**

- The **Webinar** is taken remotely on your own computer with an internet connection and **not at the SCA**.
- You will need a computer with speakers or headphones – or a phone to dial in (*NOTE: The number and code will be provided the day of training & long distance charges may apply*)
- Finally, try to use the **desktop** option (you need to run a small .exe app) instead of the ‘web’ version.
