Introduction

The New York City School Construction Authority has elected to purchase and administer an Owner-Controlled Insurance Program (“OCIP”) for the construction and renovation of educational facilities throughout New York City. All CONTRACTORS/SUBCONTRACTORS working at the SITE are subject to its provisions. The provisions herein for SPONSOR-purchased insurance shall in no way be interpreted as relieving any of the parties of any contractual responsibility. Terms in all capital letters are defined, as set forth in Section 3, Explanation of Terms, of this Manual. Any capitalized terms used, but not defined herein shall have the meanings assigned thereto in the General Conditions.

An OCIP is a single insurance program that insures the project SPONSOR, ELIGIBLE and ENROLLED PARTIES, along with their eligible employees and other designated parties for WORK performed at a SITE. Certain parties and their employees are excluded from the OCIP as identified in this Manual.

This Manual is intended to provide general information as to the insurance afforded and/or required of ELIGIBLE and ENROLLED PARTIES, claims reporting, safety and loss control requirements, and the procedures to be followed in administering the program. All questions concerning the OCIP requirements should be referred to the OCIP Project Administrator as indicated in Section 2, Directory.

The SCA OCIP provides the following coverage for ELIGIBLE and ENROLLED PARTIES whose employees perform actual on-site WORK at the SITE:

• Workers’ Compensation
• General Liability
• Excess Liability

Participation in the OCIP is mandatory for all CONTRACTORS AND SUBCONTRACTORS of any tier unless excluded by SPONSOR or as outlined in this Manual. However, enrollment is not automatic. WORK will not be permitted at a SITE until the CONTRACTORS/SUBCONTRACTORS are properly enrolled in the OCIP.

SPONSOR will pay insurance premiums for the OCIP POLICIES described in this Manual. It is recommended that you inform your current insurers that you are participating in an OCIP.

The OCIP POLICIES apply only to WORK performed at the SITE by the ELIGIBLE and ENROLLED PARTIES. ELIGIBLE and ENROLLED PARTIES must provide their own insurance for automobile coverage and off-site activities including, but not limited to, work at their permanent shops, fabrication or manufacturing of building products, materials or supplies. The insurance required of ELIGIBLE and ENROLLED PARTIES and EXCLUDED PARTIES is set forth in full in the Insurance Addendum attached to the CONTRACT. The provisions herein for the OCIP shall in no way be interpreted as relieving the parties of any responsibility under their CONTRACT.
This Manual:

- Describes the general structure of the OCIP;
- Identifies the responsibilities of the various parties involved in a PROJECT;
- Provides a basic description of OCIP coverage;
- Describes audit and administrative procedures;
- Provides an Explanation of Terms (see Section 3); and
- May be updated as deemed necessary by SPONSOR.

This Manual does not:

- Provide dynamic information about deductibles;
- Provide coverage interpretations;
- Provide complete information about coverage; or
- Provide answers to specific claim questions.

Questions concerning the OCIP POLICIES should be referred to the OCIP Project Manager or the OCIP Project Administrator, as indicated in the Section 2, Directory. Copies of the OCIP POLICIES are available upon request to the OCIP Project Manager.

</table>
Overview of the Insurance Program

The New York City School Construction Authority (SCA) has elected to implement an OCIP and agrees to pay all premiums associated with this program. The CONTRACTORS/ SUBCONTRACTORS are required to assume certain deductibles, as outlined further in this Manual.

While the OCIP is intended to provide broad coverage, it is not intended to meet all the insurance needs of the CONTRACTORS/SUBCONTRACTORS. The OCIP does not provide coverage for Automobile Liability, including loading or unloading, Contractors’ Equipment, Payment & Performance Bonds, or Disability Insurance. The OCIP also does not provide Workers’ Compensation coverage for CONTRACTORS/SUBCONTRACTORS engaged to perform Environmental Work.

The OCIP coverages and exclusions summarized in this Manual are set forth in full in their respective insurance policy forms. The summary descriptions of the OCIP coverages in this Manual are not intended to be complete or to alter or amend any provision of the actual OCIP Policies. In the event that any provision of this Manual conflicts with the OCIP Policies, the provisions of the actual OCIP Policies shall govern.

A. Overview of Owner Provided Insurance

SPONSOR shall procure and maintain, at its own expense, the following insurance coverages for the interest of the ELIGIBLE and ENROLLED PARTIES:

1. Workers’ Compensation and Employer’s Liability

<table>
<thead>
<tr>
<th>Coverage</th>
<th>Limit</th>

</tr>
<tr>
<td>Policy limit for Bodily Injury by disease</td>
<td>$2,000,000</td>
</tr>
</tbody>
</table>

Noteworthy Coverage Extensions
- United States Longshore and Harbor Workers Compensation Act (USL&H)
- Blanket Waiver of Subrogation as required by written contract

Exclusions
- Per Statute
- As per Policy

The Workers’ Compensation and Employer’s Liability Insurance are in accordance with the laws of the State in which the Work will be performed or any other applicable jurisdiction. Employees covered by this insurance are those employees whose full-time duties will be performed at the SITE and other employees actually doing WORK in
connection with the PROJECT while physically on the SITE. Coverage will cease for any employee when leaving this SITE.

The Workers’ Compensation coverage is not provided to any CONTRACTORS/ SUBCONTRACTORS performing Environmental Work.

This insurance will be primary with respect to persons directly engaged in performance of WORK at the SITE who are enrolled into the OCIP.

2. Commercial General Liability Insurance

A single policy will be issued for all INSUREDS and limits are shared by all INSUREDS for WORK performed at a SITE.

<table>
<thead>
<tr>

<td>$10,000</td>
</tr>
</tbody>
</table>

7 Years Completed Operations Extension Period

Noteworthy Coverage Extensions
- Contractual Liability within 50 feet of railroad
- Blanket Additional Insureds as required by written contract
- Blanket Waiver of Subrogation as required by written contract

Exclusions
- As per Policy

3. Excess Liability Insurance

Excess Liability Insurance covering all INSUREDS jointly to bring the total maximum collective limits of liability (inclusive of primary limits stated above) to:

<table>
<thead>
<tr>
<th>Each Occurrence</th>
<th>$200,000,000</th>
</tr>
</thead>

</tr>
</tbody>
</table>

**Noteworthy Coverage Extensions**
- Blanket Additional Insureds as required by written contract
- Blanket Waiver of Subrogation as required by written contract

**Exclusions**
- As per Policy

5. **Builders Risk Insurance**

All Risk coverage provided on a replacement cost basis including coverage for risk of direct physical loss or damage to the work performed at the SITE, in transit or in temporary storage.

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

**Noteworthy Coverage Extensions**
- Blanket Additional Insureds as required by written contract
- Blanket Waiver of Subrogation as required by written contract

**Exclusions**
- As per Policy

**Contractor Deductible Chargeback:** To the fullest extent allowable by law, and notwithstanding the foregoing, the Contractor or Subcontractor(s) shall be responsible for losses within the deductible of $100,000 of each and every insured property damage event under this insurance (or the amount of the loss, if less than $100,000) including cost of defense such as court costs and attorneys’ fees. Contractor shall allocate responsibility between itself and the Subcontractor(s), to the extent losses payable are attributable to its acts or omissions, or the acts or omissions of its Subcontractor(s) of any tier or any other entity or person for whom it may be responsible as determined by Contractor. The deductible chargeback applying to the Contractor and Subcontractor(s) is the responsibility of the Contractor and Subcontractor(s) and may be withheld from progress payments if not reimbursed.
6. Art Installation Floater

All risk coverage provided for various works of art while being created in the artist’s studio or workplace of the artist’s subcontractor(s), in transit or while being installed at various schools.

Valuation
- Completed art works under commission will be valued at the contract price
- Art work in process will be based upon percentage of completion

Exclusions
- As per Policy

Contractor Deductible Chargeback: Artists are responsible for losses within deductible.

B. Other Provisions of the Owner Provided Insurance

1. All policies specified in Section 4.A. above will contain a 30-day cancellation clause, except 10 days for non-payment or failure to meet the SPONSOR’S safety demands, and will apply on a primary basis regardless of any other insurance available to CONTRACTOR/SUBCONTRACTORS.

2. The above insurance will apply only to claims arising out of operations at the SITE and not at regularly established "away from SITE" offices, shops, warehouses, factories or similar locations unless otherwise included by endorsement to the to the Builders Risk covered locations.

3. Insurance specified in Section 4.A. above will be terminated at the completion of the WORK by the CONTRACTOR/SUBCONTRACTOR except for Extended Completed Operations Liability.

4. Assignment: In consideration of SPONSOR purchasing the OCIP insurance as stated above, the enrolled parties will assign to SPONSOR all return premiums, premium refunds, dividends, and other monies due or to become due in connection with the insurance which SPONSOR provides under the OCIP, all of which will inure to the benefit of the OCIP. The enrolled parties will execute such further documentation as may be required by SPONSOR to effect this assignment.

5. Waiver Of Subrogation Rights: Except for the amount of the deductibles as stated elsewhere in this contract, the ELIGIBLE and ENROLLED PARTIES each on their own behalf and on behalf of anyone claiming by, through or under them, whether by way of
subrogation or otherwise, hereby waive any and all subrogation rights which they may now or hereafter have against each other and the parent, related and affiliated companies, the successors and assigns of each other, in connection with the performance of the WORK to the extent such subrogation rights are not the result of any intentional wrongful act or omission of the party causing such loss and are covered losses under such insurance.

6. Each ELIGIBLE and ENROLLED PARTY will be named as an insured on the insurance described above. Upon receipt of a completed enrollment application, CERTIFICATES of INSURANCE for the Workers’ Compensation and Employer’s Liability, General Liability and Excess Liability (excluding Automobile Liability) policies will be issued to the ELIGIBLE and ENROLLED PARTY listing the ELIGIBLE and ENROLLED PARTY as additional named insureds. The insurer will also issue a Workers’ Compensation policy in the name of each ELIGIBLE and ENROLLED PARTY.

C. Contractor/Subcontractor Provided Insurance

In addition to the OCIP, ELIGIBLE and ENROLLED PARTIES and EXCLUDED PARTIES are required to maintain certain additional insurance coverages, as set forth herein in summary fashion and as the same may be described more fully in each party’s respective CONTRACT or SUBCONTRACT. In the event of a conflict between the terms of this Manual and the terms of the CONTRACT or SUBCONTRACT, the terms of the CONTRACT or SUBCONTRACT control.

ELIGIBLE and ENROLLED PARTIES must provide the following additional coverages for all operations not included in the OCIP, including, but not limited to, operations not performed on the SITE. EXCLUDED PARTIES must provide the coverages outlined for all operations, both on and off the SITE.

1. Workers’ Compensation and Employer’s Liability

Contractors performing Environmental Work and Non-Enrolled Contractors must provide evidence of on-site and off-side coverage. All other contractors must provide evidence of off-side coverage.

Worker’s Compensation Insurance with limits as required by New York State statute (state in which the WORK takes place), and Employer’s Liability Insurance with limits of at least:
- $1,000,000 bodily injury by accident;
- $1,000,000 bodily injury by disease; and
- $1,000,000 annual aggregate.

2. Business Auto Liability

Business Automobile Liability Insurance covering all owned, non-owned, and hired vehicles with limits of:
- $1,000,000 Bodily Injury/Property Damage Combined Single Limit.

If transporting hazardous water/materials appropriate MCW-90 endorsement must be attached and supplied to the SCA with a $5,000,000 limit of liability.
3. Commercial General Liability (CGL)

Commercial General Liability Insurance provided on a current Insurance Services Office, Inc., “ISO” occurrence form, including coverage for liability due to bodily injury, property damage, personal and advertising injury, and for the products-completed operations hazard. The limits of insurance shall not be less than:

- $1,000,000 per occurrence;
- $2,000,000 aggregate for products-completed operations; and
- $2,000,000 general aggregate.

The policy shall include the following:
- Coverage must be maintained for three years following final completion of the PROJECT, or to the applicable statute of repose, whichever is less;
- No XCU exclusion;
- Independent Contractors;
- Contractual Liability;
- Delete contractual exclusion for work performed within 50 feet of railroad; and
- Additional Insured endorsements CG 20 33 and CG 20 37 or its equivalent on the primary and non-contributory basis.

Additional Insured
Except with regard to Professional Liability, and Workers’ Compensation and Employer’s Liability insurance, the following entities should be included as additional insured:

**New York City School Construction Authority**
30-30 Thomson Avenue, Long Island City, New York 11101

**New York City Department of Education**
52 Chambers Street, New York, New York 10007

**The City of New York**
100 Church Street, New York, New York 10007

Any additional entities as required by the New York City School Construction Authority, New York City Department of Education and The City of New York.
*For example, when WORK is being performed at a privately owned SITE the owner/landlord of such SITE shall also be named as an Additional Insured.

Such additional insured endorsement for Commercial General Liability coverage shall be equivalent to ISO form CG 20 10, together with ISO form CG 20 37. The additional insured requirement for Commercial General Liability is for the duration of the CONTRACT and an additional three (3) years following Substantial Completion of the WORK.

All ELIGIBLE and ENROLLED PARTIES must submit CERTIFICATES of INSURANCE as required in sub-section B.
Contractor Responsibilities & Enrollment

The CONTRACTORS/SUBCONTRACTORS are required to cooperate with ALL parties involved in the administration and operation of the OCIP such as SCA personnel, OCIP Administrator, insurance companies, claims adjusters, defense attorneys, investigators and auditors.

CONTRACTOR/SUBCONTRACTOR responsibilities shall include, but not be limited to:

- Completion of Enrollment through submission of Request for Insurance form;
- Compliance with the SCA Safety Manual and OCIP Insurance Manual;
- Compliance with incident/claim reporting procedures as outlined in this manual;
  - Completion and submission of Bodily Injury/Illness and/or Property Damage Reporting Forms;
  - Completion of a NYS Workers’ Compensation Board, C-2F Employer’s First Report of Work–Related Injury/Illness Form;
- Include this OCIP Manual as a CONTRACT Document to all their subcontractors;
- Make certain that all subcontractors meet the PROJECT insurance requirements as described in the CONTRACT before they start work;
- Cooperate with the OCIP Administrator’s requests for information;
- Maintain accurate records of their operations at the SITE;
- Permit the SCA and its representatives to examine and/or audit their books and records; and
- Provide any additional information to the SCA or its appointed representatives as required.
  - Overland Solutions is the current audit firm performing annual audits for CONTRACTORS/SUBCONTRACTORS enrolled in the SCA OCIP Program. CONTRACTORS/SUBCONTRACTORS must provide payroll information upon request from Overland Solutions’ representative.

ENROLLMENT

CONTRACTORS/SUBCONTRACTORS shall adhere to and follow all enrollment and incident/claim reporting procedures as outlined in this manual and per protocols outlined in the Subcontractor Approval Process on the SCA website.

Prior to commencement of WORK all general contractors, subcontractors and Construction Management firms providing oversight to mentor program subcontractors performing WORK on SCA SITES must be enrolled in the OCIP. General contractors and WICKS subcontractors enroll by submitting a request for insurance upon prime contractor receipt of a Notice of Intent to Award from the SCA. Subcontractors enroll via submission of a Subcontractor Approval Form (SAF) in the SCA Vendor Access System (VAS). Mentor Program Subcontractors enroll by working with Construction Management firms to submit a Request for Insurance form.

Questions about enrollment can be emailed to: insuranceprogram@nycsca.org. Guidelines for enrollment can be found on the SCA website at http://www.nycsca.org/Vendor/Insurance and http://www.nycsca.org/Vendor/Subcontractor.
OCIP TERMINATION OR MODIFICATION

The SCA reserves the right to terminate or modify the OCIP. Written notice will be provided thirty (30) days prior to such action. If the OCIP is terminated or modified, CONTRACTORS/SUBCONTRACTORS shall obtain appropriate replacement insurance as required by the SCA and shall provide proof of such insurance prior to the termination or modification date.

PAYROLL AND AUDIT PROCEDURES

Insurance companies have the right to audit CONTRACTORS/SUBCONTRACTORS’ records at any time during normal business hours. Insurance companies will report payroll and Workers’ Compensation losses to the appropriate Rating Bureaus.

CONTRACTORS/SUBCONTRACTORS are required to:

- Maintain payroll information pertaining to SCA Work for a period of no less than three (30) years after completion of the work;
- Assign payroll to the proper Workers’ Compensation classification. Records must show overtime pay and limit the payroll in accordance with the New York State Payroll Limitation Law; and
- Payroll for SCA work must be segregated from CONTRACTORS/SUBCONTRACTORS’ other operations.

ASSIGNMENT OF PREMIUMS

The SCA will be responsible for the payment of all premiums associated with the OCIP and will be the sole recipient of any dividends and/or return premiums. CONTRACTORS agree to irrevocably assign to and for the benefit of the SCA, all return premiums, premium refunds, premium discounts, dividends, credits, and any other money due the SCA in connection with the OCIP.

CONTRACTORS further agree to require each SUBCONTRACTOR to execute the assignment for the benefit of the SCA.
Safety & Loss Control Program

CONTRACTORS/SUBCONTRACTORS of all tiers are responsible to ensure the following:

- Obtain all permits and submit required safety plans to the SCA;
- Designate safety coordinators and representatives, competent persons, and emergency contacts;
- Comply with all City, State, and Federal safety laws and regulations;
- Comply with all policies and procedures outlined in the SCA Safety Manual;
- Cooperate with SCA Construction Management and Environmental and Regulatory Compliance Departments during pre-planning, inspections, audits, and accident investigations;
- Provide safety orientation for all new hires;
- Provide training and education to employees;
- Ensure all employees have documented proof of current and required safety training(s);
- Document and submit daily safety inspections and toolbox talk meetings;
- Provide approved and appropriate equipment for the PROJECT;
- Provide employees with all required personal protective equipment;
- Maintain PROJECT requirement safety documentation, communications, inspections and field employee sign-off in regards to compliance to the SCA safety program, as well as the contractor’s health & safety program, job hazard analysis and work plans, where required;
- Maintain proper control of hazardous products (HazCom Program, Storage and Use);
- Recognize and control excessive noise levels;
- Locate all underground utilities before work begins; and
- Provide required documentation to the Construction Management organization or general contractor on a regular basis; and make available upon request.

THE MISSION OF THE SCA SAFETY UNIT

EDUCATE SCA Personnel, General Contractors, and Subcontractors of current City, State, Federal and SCA mandated safety rules and regulations. Accident prevention will be an integral part of all Construction procedures.

ENFORCE all current applicable safety rules and regulations in a firm, fair and consistent manner.

PROVIDE optimal protection to the students, teachers, school personnel, and the general public during all new construction and renovation of NYC School Buildings. The SCA Safety Unit will seek to implement and maintain an effective and comprehensive safety program to prevent and/or reduce potential exposure to construction hazards and minimize accidents/incidents.
Incident and Claims Reporting Procedures

INCIDENT MANAGEMENT AND REPORTING

All CONTRACTORS/SUBCONTRACTORS shall strictly adhere to specific guidelines for the reporting of all incidents involving their own employees, those of their subcontractors and any damage to property at the SITE.

In the event of an incident/accident:

- Instruct their employees to immediately report all incidents to their company supervisor.
- **IF THE INCIDENT OR ACCIDENT IS AN EMERGENCY, IMMEDIATELY CALL 911.**
- If the incident involves an injury or illness, the supervisor, any designated safety personnel, and/or competent person should attend to the injured or ill individual(s) until Emergency Services arrives.
- **If 911 is called, immediately notify the Chief Project Officer. If the Chief is not available, immediately contact the Vice President for Construction Management.**
- Immediately following a 911 call and for all other incidents:
  - Contact the assigned Project Officer.
  - If the Project Officer is unavailable, contact the Senior Project Officer or the Chief Project Officer.
  - You **must** speak with someone working in SCA Construction Management.
  - Notify the Safety and Insurance divisions by sending email to noticeofaccident@nycsca.org.
  - Secure incident area for safety.
  - Complete and submit the appropriate form(s) - Injury/Illness Reporting Form and/or Property Damage Reporting Form.
    - Any workplace injury also requires a completed C-2F Form.
  - Secure documentation for inspection and potential investigation.
  - Call the SCA insurance hotline Monday-Friday, between 9am-5pm with any questions (718) 472-8778. You may also send an email to insuranceprogram@nycsca.org.
- Provide, upon request, any additional information regarding the incident and cooperate fully in all incidents and claim related investigations.

Any fines assessed for claims which are reported late are the responsibility of the CONTRACTOR or SUBCONTRACTOR who failed to timely report the claim.

**Remember to report all bodily injury or illness and property damage incidents to noticeofaccident@nycsca.org.**
This following section describes basic procedures for reporting various types of claims: workers’ compensation, liability, and property damage and automobile accidents.

**WORKERS’ COMPENSATION CLAIM REPORTING**

The employer of an injured party MUST complete and submit a NYS Workers’ Compensation Board C-2F, Employer’s First Report of Work-Related Injury/Illness form, and an SCA Bodily Injury/Illness Reporting Form within **24 hours** to noticeofaccident@nycsca.org.

CONTRACTORS/SUBCONTRACTORS must include the school name, borough, and SCA contract number. One copy of the C-2F must be retained by the employer and another copy must be provided to the SCA Project Officer and/or Construction Manager.

All subsequent return to work notes medical or any other information or correspondence related to the injured employee should be sent to the SCA Claims Reporting team (see Section 2, Directory).

The immediate reporting of all accidents or circumstances which might lead to or involve a claim is a requirement of the OCIP. Non-compliance could result in denial of an equitable disposition of the situation by the insurance carrier(s). **When in doubt, refer all questions regarding the reporting of a claim to: insuranceprogram@nycsca.org.***

***Post injury response is critical for both the employee and the employer. Each injured employee must be attended to and subject to an orderly procedure from the time he/she is injured until he/she returns to work.***

*** NEVER WITHHOLD REPORTING AN INCIDENT ***

The following requirements (for specific circumstances) shall be adhered to by all enrolled parties.

**INVESTIGATION ASSISTANCE**

All CONTRACTORS/SUBCONTRACTORS will assist in the investigation of any accident or incident involving injury/illness to persons or damage to property. All CONTRACTORS/SUBCONTRACTORS will cooperate with SCA personnel, claims adjusters, defense attorneys and investigators by securing and giving evidence and obtaining the participation and attendance of witnesses required for the investigation and defense of any claim or suit.

**WORKERS’ COMPENSATION INJURIES/ILLNESSES - PROMPT MEDICAL CARE**

As mentioned above in the Incident Management and Reporting section, if the injury or illness is serious or life threatening, a designated competent person at the SITE must take charge and administer to the injured deciding the method of treatment, transportation and destination.

If the injury or illness is sufficiently grave or life threatening a designated competent person at the SITE must call or have someone call 911 to request Emergency Medical Services (EMS). The designated competent person at the SITE will assign a person to direct the EMS to the
injured. EMS should administer to the injured and provide transportation to the medical facility. Except in overriding danger to life of the injured person; do not move them. Rescue and transportation should be attempted only by those trained in the evacuation of injured. Exceptional care must be exercised when rendering first aid or transporting the injured if:

- Unconscious or experiencing any form of seizure;
- Has sustained a head, neck, back or internal injuries;
- Show clear signs of broken bone(s); and/or
- Appears to have sustained a stroke or heart attack

If 911 is called, immediately notify the Chief Project Officer. If the Chief is not available, immediately contact the Vice President for Construction Management.

In the event of a non-serious injury, the employee’s Supervisor should provide first aid, report the injury to the Project Officer, to noticeofaccident@nycsca.org and record the incident in the CONTRACTOR/SUBCONTRACTOR First Aid Log. If the employee’s Supervisor is unable to attend to the injured employee’s needs, the injured employee should be escorted to the Project Officer or Construction Management firm in charge of the SITE.

**GENERAL LIABILITY CLAIM REPORTING**

Personal injury/illness or property damage sustained by a third party constitutes a reportable event. For all such incidents, all CONTRACTORS/SUBCONTRACTORS are required to notify the Project Officer, Senior Project Officer or Chief Project Officer and submit an injury illness or a property damage reporting form (depending on the incident), and forward it to noticeofaccident@nycsca.org.

As mentioned above, if 911 is called, for serious injury/illness OR significant damage to property, immediately notify the Chief Project Officer. If the Chief is not available, immediately contact the Vice President for Construction Management.

Coverage will respond to any bodily injury or property damage claim for which SPONSOR, its agents, contractors or subcontractors are held legally liable to pay, and for associated defense costs incurred as a result.

**NOTE:** All available facts and information, including the names of witnesses, must be secured as soon as possible while such information is still available. Unless prompt action is taken in this respect, witnesses disappear, facts become obscure and the further handling of the claim may be prejudiced.

**Automobile Incident and Claim Reporting**

No coverage is provided for automobile accidents under the OCIP, including loading or unloading. It is the sole responsibility of each CONTRACTOR/SUBCONTRACTOR to report accidents involving their automobiles to their own insurers.

However, all auto-related accidents occurring in or around the SITE must be reported to noticeofaccident@nycsca.org. These accidents will be investigated with regard to any liability arising out of the SITE construction activities that could result in future claims (e.g., due to the conditions of the roads). Each CONTRACTOR/SUBCONTRACTOR shall cooperate in the investigation of all automobile accidents.
